OptiPave®

Surface Sealer

**ECO-FRIENDLY
SURFACE SEAL
FOR PAVEMENT
PRESERVATION**

ADVANTAGES:

The Environmentally Friendly Surface Seal For Roads...

OptiPave is an asphalt based emulsion pavement surface seal designed to seal and protect asphalt roads while replenishing the pavement binder that is lost through oxidation and weathering. OptiPave beautifies, protects, and extends the service life of asphalt pavement while providing a rich, black "like new" appearance. Can also be applied over slurry and chip seals.

OPTIPAVE PROTECTS PAVEMENT AGAINST:

CHEMICALS

MOISTURE

OXIDATION

- A** - An Economical Approach to Pavement Maintenance. A systematic program of maintaining pavement with OptiPave will more than double the service life of pavement at a fraction of the cost of repaving.
- B** - Replenishes the valuable asphalt binder or "glue" that is lost through weathering, aging, traffic wear and other forms of environmental distress.
- C** - Provides a deep rich "like new" black appearance.
- D** - Enhanced Traffic Marking visibility for added driver safety
- E** - Deep black color melts snow and ice significantly faster than untreated pavement.
- F** - Produces an even textured surface with no loose stones, making it ideal for vehicle, bicycle and pedestrian traffic.
- G** - Fast, efficient one coat application process with minimal impact on traffic flow.

OPTIPAVE SURFACE SEALER USES...

- Residential Streets
- County Roads
- Homeowner Associations and Gated Communities
- Airport Taxiways
- Highway Shoulders
- Top Coat for Slurry and Chip Seals

MAINTAINING THE WORLD'S PAVEMENT

A TRADITION OF QUALITY & INNOVATION...

For over 40 years, property owners and government agencies have turned to SealMaster for innovative, cost-effective pavement maintenance solutions. With over One Billion gallons of coatings applied world-wide, SealMaster continues the tradition of innovation with OptiPave Surface Sealer.

PROFESSIONAL SERVICE...

SealMaster has the industry's largest network of professionally trained pavement maintenance contractors to assure successful results at competitive prices. Our network of highly trained and experienced professionals are available to provide on-site project recommendations as well as full application services to assure quality results on every project.

A GLOBAL LEADER...

With over 65 Manufacturing and Distribution centers coast to coast along with manufacturing and product distribution in over 50 countries, SealMaster continues to be a global leader in pavement maintenance. SealMaster's unparalleled record of technological advances in both product and application equipment continues to set us apart as a true industry leader.
