PAVEMENT SEALERS

ASPEN®
MINERAL FILLED SURFACE SEALER

Advantages:
• Replenishes the valuable asphalt binder or "glue" that is lost through weathering, aging, traffic wear and other forms of environmental distress
• Provides a deep, rich "like new" black appearance
• Mineral filled for added durability
• Fast, efficient one-coat application process with minimal impact on traffic flow

MIXING PROCEDURES:
[Based on 100 gallons of AsPen]
AsPen ................................................................. 100 gallons
Water ................................................................. 50 gallons

MATERIAL REQUIREMENTS [coverage]: One gallon of AsPen will cover approximately 75 - 115 square feet (8.33 to 12.77 square yards) per coat when properly mixed and applied.

Beautifies, protects, and extends the service life of asphalt roads

AsPen Uses:
• Low-Traffic Roads
• Low-Traffic Streets
• Neighborhoods
• Gated Communities
• Airport Taxiways
• Highway Shoulders
• Cul-de-sac Roads
• Top Coat for Slurry and Chip Seal

PRODUCT #       DESCRIPTION         WEIGHT   PRICE
